

25 June 2026

Dear Parents/Carers,

With temperatures now forecast to return to the mid-20s and no weather warning currently in place, we are delighted to welcome all students back tomorrow as the school reopens as normal, finishing at 3:05. Students can continue to wear either their PE kit or uniform until further notice. Please note that if students are not wearing the correct uniform or PE kit, this will need to be corrected as normal.

We will continue to take sensible precautions in school to keep pupils safe, including:

- ensuring regular access to drinking water
- providing shade and limiting time in direct sun
- adapting activities where needed
- maintaining good ventilation in classrooms where possible
- opening the Lecture Theatre at break and lunch to offer a cool space

We would appreciate your support by ensuring your child brings a reusable water bottle. Students are encouraged to use sun cream and bring a hat.

Finally, a reminder that Monday 29 June is an INSET day, and school will be closed to students.

Thank you for your continued support.

Yours sincerely

Justin Humphreys
Headteacher
