St Katherine's School Policy

St Katherine's School uniform is smart, suitable, comfortable, affordable, practical and purposeful, ensuring that all pupils are able to learn and work in an environment that promotes high expectations and reflects pride in the school.

1.1 Aims

1.2 Through our uniform policy we aim to:

- set high standards of appearance;
- promote a sense of pride in our school;
- engender a feeling of community and belonging;
- enable pupils to feel smart, comfortable and equal;
- support teaching and learning;
- provide an efficient, good quality and value for money dress code;
- avoid extremes of fashion;
- ensure the health and safety of pupils;
- prepare pupils for a variety of working environments and life in the adult world.

1.3 The school uniform policy is fair and reasonable and fulfils the school's obligations under the Human Rights Act 1998 and the Equality Act 2010.

1.4 A smart uniform will promote the "ready to learn" ethic expected of all pupils at St Katherine's.

2.0 The Role of Parents/Carers

2.1 Parents/Carers have a duty to send their children to school correctly dressed and ready for daily school work. Parents/Carers must ensure their child has the correct uniform and that it is clean and in good repair.

3.0 The Role of the School

3.1 Governors to delegate to the Headteacher and staff the enforcement of the uniform policy as part of the day-to-day running of the school and to achieve consistency among pupils. Teachers can discipline pupils for breaching school rules on the appearance of uniform.

3.2 The school retains the right to act as the final authority in the interpretation of the dress code.

3.3 The form tutor will play an important role in monitoring uniform and helping to resolve any problems e.g. financial, and will be able to apply sanctions where appropriate. Form tutors will contact parents in the first instance to resolve any issues. When issues are not resolved, Heads of House will become involved and a member of the Senior Leadership Team will work with families if issues are recurrent or remain unresolved.

3.4 A pupil may not attend lessons if clothing, hairstyle or personal appearance is inappropriate for school.

3.5 The Headteacher, or a person authorised by the Head of School, may instruct a pupil to go home briefly to remedy a breach of the school rules on appearance or uniform. When making this decision the child's age will be taken into consideration.

3.6 For pupils in years 7-11, parents/carers will be contacted and the pupil only sent home

during school hours if accompanied or with the permission of a parent/carer.

- 3.7 Where pupils are sent home to change, this is an authorised absence, not an exclusion.
- 3.8 If the pupil continues to breach uniform rules in such a way as to be sent home to avoid school, or takes longer than is strictly necessary to effect the change, the pupil's absence may be counted as unauthorised absence.
- 3.9 In either case the pupil's parents/carers must be notified and the absence recorded.
- 3.10 Breaches of uniform policy can lead to suspension from school in line with legal requirements for suspension.
- 3.11 Items of non-permitted clothing, jewellery or accessories will be confiscated and only returned at the end of the school day
- 3.12 A parent/carer having genuine difficulty providing items of school clothing should contact their child's Head of House, in confidence, to establish whether financial support might be available.
- 3.13 While the school does not operate a formal second-hand uniform shop, we gratefully accept donations of good-quality uniform items. Families are welcome to these items donated in exchange for a small voluntary contribution.

4.0 Issues Arising from the Policy

- 4.1 Parents/Carers should raise any issues relating to school uniform, dress code or other aspects of appearance with their Head of House
- 4.2 In extreme weather conditions, local decisions may be made to alter compulsory elements of the school uniform.

8.8 Pupils who wear hearing aids may also need to wear these for PE in order to participate. If a student can participate in PE without wearing his / her spectacles or hearing aid then these will be safely stored by a member of staff.

8.9 If a pupil has to wear a medical bracelet, for health and safety reasons this should be either covered by a Velcro medical band or a sweatband and secured by adhesive tape during PE. If possible, the bracelet should be removed and handed to the member of staff in charge of the group.
