St. Katherine's School

Keeping everyone safe in the car park

- Strict 5 mph speed limit on site
- One way through the car park
- Priority as follows:
    - Pedestrians
    - Coaches/Minibuses
    - Cars
- Follow directions from any member of staff in HiViz
- When stopped in the car park engines should be turned off

AM Drop off
Coaches arrive between 8:15 and 8:25. Try and avoid these times if dropping off by car.

PM Pick up
Coaches will be scheduled to depart at 3:15 pm. Collection by car after this time will be easier.

To help keep our students safe at the start and the end of the school day, we have introduced some updated arrangements for student collection in the school car park.

The area directly in front of the car park entrance is marked with double yellow lines and cones. This area is a no stopping and no parking zone, and it continues until after the paved section halfway along the car park, where you will see the next set of cones.

We kindly ask that parents and carers:

- Park only in marked parking bays, or
- Park beyond the line of cones.

Please note that disabled parking spaces are reserved for disabled parents/carers and students only. We would be grateful if blue badges could be clearly displayed in windscreens to help staff on duty identify authorised use.

These changes are in place to create a safer crossing point and clearer pathway through the car park for our students. We really appreciate your cooperation and support in helping us keep everyone safe.

Thank you for your understanding, please see here for a map detailing the above for your information.
